DIRECT MAIL LETTER

Dear Members,

Greeting in the New Year!

I missed out on communicating with you during January 2021. I was hoping that we could have some sort of Get Together around Republic Day and then Valentines, but then nothing materialised. As of now we have **BAIT!** An initiative ideated by our President-in-Chief, which **will be launched on Facebook on Sunday 14 February at 7.30 pm.** Do attend the online event and invite your friends and family to do the same - it promises to be very enjoyable and entertaining. To join click on the link provided below:

BAIT has been created to preserve and promote our culture, primarily through social media platforms like Facebook, Instagram and YouTube.

There has been a reported significant fall in the number of COVID-19 cases around us, I now feel we can resume our social interactions adhering to Health and safety guidelines which are in place for our own safety and wellbeing.

We propose to resume our usual monthly Get Together commencing April 2021, for which the Branch Committee shall meet shortly and plan an event around Easter time. The details shall be shared with you in my next direct mailer.

All applications for scholarships and financial assistance which were received by the Branch within the stipulated time have been disbursed and no application is pending.

The Branch Roll has been updated. I request members to check and verify their record, incase of any error kindly inform us as soon as possible so that it may be rectified. **No further subscriptions shall now be accepted** for the current financial year. Members whose subscriptions are in default have been removed from the Branch Roll and will be reenrol as and when they pay their subscription in the coming year with arrears till date.

With all good wishes.
