Dear Members,

Subject: Extension of the Last Date for Submission of Applications for The Rev Dr Brian Charles Wintle Award for Excellence in Academics & Sports 2023-2024

I am writing to inform you that since some universities and boards have not yet declared their results, the Governing Body of Bishop's School, Pune, has decided to **extend the last date** for the submission of applications for **The Rev Dr Brian Charles Wintle Award for Excellence in Academics & Sports 2023-2024**.

The new deadline is now 15 September 2024, providing an additional month beyond the original date of 15 August 2024.

You will be pleased to know that **this year**, the Governing Body of Bishop's School, Pune, has **increased the number of scholarships from 100 to 150**. Additionally, **50 more scholarships**, each amounting to Rs 10,000, have been set aside **for differently-abled Anglo-Indian children** studying in schools and colleges.

Please note that **for the Sports Category, there is no age bar**. Any Anglo-Indian student who is studying in school or college and has achieved a podium finish in any National or State Sporting Events (in 2023-2024) is also eligible to apply. Relevant documents need to be uploaded.

I urge you to encourage our youth to submit their applications as soon as possible. Deserving applicants (for 2023-2024 only) will be considered on a first-come, first-served basis. (I am once again attaching the 'salient features' listed by The Bishop's Education Society for these awards.)

For any assistance, you may email besawards@gmail.com or call Mr. Pemba at +918697031906 during office hours.

All branches are requested to take note of this extension and ensure that their applications are uploaded accordingly. The link for the online application form can be found in the enclosed SOP document.

We express our sincere appreciation and gratitude to the President and all Members of the Board of Governors of the Society.

Yours sincerely,

Barry O'Brien
President-in-Chief
